How Housing Communities Can Feed Summer Meals to Children

Please join the USDA Food and Nutrition Service's "How Housing Communities Can Feed Summer Meals to Children" webinar from noon to 1 p.m. on Thursday, May 15th to learn how you can help feed children at your housing community this summer through the **Summer Food Service Program** <http://www.fns.usda.gov/sfsp/summer-food-service-program-sfsp>.

Of the 21 million children who receive free and reduced-priced meals through the National School Lunch Program during the regular school year, only 3.5 million participate in summer meal programs.

This webinar will consist of a brief overview of the program and best practices from USDA Rural Development and Housing and Urban Development communities that have committed to feeding children this summer.

To participate in the webinar please register at <https://www.surveymonkey.com/s/DPF87LZ>.
